

Why You Should Adopt **STORMY**

Animal House Shelter's Stormy is currently being fostered, but could become your forever friend

A picture is worth
a thousand **words**

A little about Stormy

Gentle Soul

Sweet and gentle with our small dogs, and takes a treat gently

Happy and Playful

Stormy is always eager to play tug with her foster parents or siblings

Cuddly

When we sit down on the couch or lay down in bed, Stormy is there to cuddle us and keep us warm

One of the Pack

Where the family goes, Stormy goes; she follows us from room to room and takes her cues from us

Learning to Trust

Stormy is so sweet and loving, but occasionally she gets scared. Everyday she trusts more and more.

Foster sister's favorite thing about Stormy?

I love playing with Stormy!

Foster brother's favorite thing about Stormy?

I love cuddling Stormy!

Foster dad's favorite things about Stormy?

I love that she is full of sweetness
and playfulness! She loves other
dogs and loves having siblings

Foster mom's favorite thing about Stormy?

I love that Stormy will let me
cuddle her the way I want; she
keeps me warm at night and lets
me move her around as I see fit!
